**KENT PLACE METROPOLITAN DISTRICT NO. 1
2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Kent Place Metropolitan District No.1 ("District") was organized by Court Order on January 14, 2008, to provide for the planning, design, acquisition, construction, installation, relocation and/or redevelopment of public improvements, including street improvements, park and recreation facilities, sewer and drainage improvements, traffic and safety controls, water, television relay and translators, public transportation, fire protection, security services, mosquito and pest control, and other improvements needed for the Development. The District was organized in conjunction with Kent Place Metropolitan District No. 2. District No. 1 is anticipated to be the Operating District and District No. 2 is anticipated to be the Financing District. The Operating District will construct all, and may own and operate some of the public facilities. The Financing District will generate the majority of tax revenues sufficient to pay the costs of the capital improvements. The functions of the Districts will be clarified in an intergovernmental agreement between the Districts. The District's service area is located entirely within the City of Englewood ("City"), Arapahoe County, Colorado.

On November 6, 2007, District electors approved revenue indebtedness of \$30,000,000 for street improvements, \$30,000,000 for parks and recreation, \$30,000,000 for water improvements, \$30,000,000 for sanitary sewer system, \$30,000,000 for public transportation system, \$30,000,00 for mosquito control, \$30,000,000 for traffic and safety, \$30,000,000 for fire protection, \$30,000,000 for television relay system, \$30,000,000 security services, \$30,000,000 for debt associated with intergovernmental contracts, \$30,000,000 for refinancing of District debt, \$30,000,000 for debt associated with private party contracts, and \$30,000,000 for general operations and maintenance. The election also approved an annual increase in taxes of \$5,000,000 for general operations and maintenance, and \$5,000,000 in revenues other than ad valorem taxes.

Pursuant to the Consolidated Service Plan, the Districts shall not issue debt in excess of \$30,000,000 without the permission of the City. The Districts are also limited to a maximum debt mill levy of 50.000 mills as adjusted for changes in the ratio of actual value to assessed value, for debt which exceeds fifty percent of the District's assessed valuation.

The District has no employees, and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with the requirements of Section 29-1-105, C.R.S., using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Developer Advance

In prior years, a portion of the operating and administrative costs were funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer. The District anticipates that no advances will be required in 2022.
