

NON-POTABLE WATER SERVICE NOTICE

Residents:

It is anticipated that the non-potable water system will be turned on around mid-May, contingent on the water supply being in the ditch. You may refer to the below instructions for turning on your system's valve. Please ensure that your irrigation timers are set correctly for the watering days and times noted below, in order to avoid immediate fines, pursuant to the attached schedule.

Irrigation sprinklers: Permitted to run 7 pm – 9 am

Drip irrigation: Permitted to run 6 pm – 11 am

Even-numbered addresses: Tuesdays, Thursdays & Saturdays

Odd-numbered addresses: Wednesdays, Fridays, and Sundays

You must contact Fromm & Company at contact@frommco.us, with new sod installations, and to receive your 2 weeks of unlimited watering. Residents who do not contact Fromm & Company and are watering outside of the afore-mentioned days/times, will receive a fine.

The District is NOT responsible for turning resident system valves on/off, cleaning, and/or maintaining personal lines.
