

February, 2021

Ram Waste Systems **Recycling Customer,**

Please note the following adjustment to our recycling service schedule:

Starting in March, we will be switching your neighborhood's current every-other-week recycling schedule to the alternate every-other-week schedule (from tan to green on the recycling week calendar at the bottom of the page).

Beginning March 4th, your recycling will be picked up in accordance with our "Green, Schedule." A full calendar can be found on our homepage at www.RamWasteSystems.com.

Other important information regarding recycling service:

- Please have your items curbside by **7 a.m.** on your service days.
- **Keep recycling simple** (paper, cardboard, plastic, aluminum, etc.) to help fight contamination.
- Please keep karts **3 feet away** from other objects (other karts, cars, street lights, basketball hoops, etc.).
- Please break down boxes to **no larger than 2 feet** in size (larger boxes may have to be left behind, as they are not accepted at the recycling center).
- Please **separate your kart(s) from your neighbor's** by putting them on opposite sides of your driveway when possible.
- Please place kart(s) with the **handles toward your home**.

If you have any questions, please call our office at (970) 226-3396.

Sincerely,

Ram Waste Systems, Inc.

March

S	M	T	W	T	F	S
	1	2	3	4	5	6
