**KENT PLACE METROPOLITAN DISTRICT NO. 1
2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Kent Place Metropolitan District No.1 (“District”) was organized by Court Order on January 14, 2008, to provide for the planning, design, acquisition, construction, installation, relocation and/or redevelopment of public improvements, including street improvements, park and recreation facilities, sewer and drainage improvements, traffic and safety controls, water, television relay and translators, public transportation, fire protection, security services, mosquito and pest control, and other improvements needed for the Development. The District was organized in conjunction with Kent Place Metropolitan District No. 2. District No. 1 is anticipated to be the Operating District and District No. 2 is anticipated to be the Financing District. The Operating District will construct all, and may own and operate some of the public facilities. The Financing District will generate the majority of tax revenues sufficient to pay the costs of the capital improvements. The functions of the Districts will be clarified in an intergovernmental agreement between the Districts. The District’s service area is located entirely within the City of Englewood (“City”), Arapahoe County, Colorado.

On November 6, 2007, District electors approved revenue indebtedness of \$30,000,000 for street improvements, \$30,000,000 for parks and recreation, \$30,000,000 for water improvements, \$30,000,000 for sanitary sewer system, \$30,000,000 for public transportation system, \$30,000,00 for mosquito control, \$30,000,000 for traffic and safety, \$30,000,000 for fire protection, \$30,000,000 for television relay system, \$30,000,000 security services, \$30,000,000 for debt associated with intergovernmental contracts, \$30,000,000 for refinancing of District debt, \$30,000,000 for debt associated with private party contracts, and \$30,000,000 for general operations and maintenance. The election also approved an annual increase in taxes of \$5,000,000 for general operations and maintenance, and \$5,000,000 in revenues other than ad valorem taxes.

Pursuant to the Consolidated Service Plan, the Districts shall not issue debt in excess of \$30,000,000 without the permission of the City. The Districts are also limited to a maximum debt mill levy of 50.000 mills as adjusted for changes in the ratio of actual value to assessed value, for debt which exceeds fifty percent of the District’s assessed valuation.

The District has no employees, and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with the requirements of Section 29-1-105, C.R.S., using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Developer Advance

In prior years, a portion of the operating and administrative costs were funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer. The District anticipates that no advances will be required in 2022.

2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Kent Place Metropolitan District No.2 (“District”) was organized by Court Order on January 14, 2008, to provide for the planning, design, acquisition, construction, installation, relocation and/or redevelopment of public improvements, including street improvements, park and recreation facilities, sewer and drainage improvements, traffic and safety controls, water, television relay and translators, public transportation, fire protection, security services, mosquito and pest control, and other improvements needed for the Development. The District was organized in conjunction with Kent Place Metropolitan District No. 1. District No. 1 is anticipated to be the Operating District and District No. 2 is anticipated to be the Financing District. The Operating District will construct all, and may own and operate some of the public facilities. The Financing District will generate the majority of tax revenues sufficient to pay the costs of the capital improvements. The functions of the Districts will be clarified in an intergovernmental agreement between the Districts. The District’s service area is located entirely within the City of Englewood (“City”), Arapahoe County, Colorado.

On November 6, 2007, District electors approved revenue indebtedness of \$30,000,000 for street improvements, \$30,000,000 for parks and recreation, \$30,000,000 for water improvements, \$30,000,000 for sanitary sewer system, \$30,000,000 for public transportation system, \$30,000,00 for mosquito control, \$30,000,000 for traffic and safety, \$30,000,000 for fire protection, \$30,000,000 for television relay system, \$30,000,000 security services, \$30,000,000 for debt associated with intergovernmental contracts, \$30,000,000 for refinancing of District debt, \$30,000,000 for debt associated with private party contracts, and \$30,000,000 for general operations and maintenance. The election also approved an annual increase in taxes of \$5,000,000 for general operations and maintenance, and \$5,000,000 in revenues other than ad valorem taxes.

Pursuant to the Consolidated Service Plan, the Districts shall not issue debt in excess of \$30,000,000 without the permission of the City. The Districts are also limited to a maximum debt mill levy of 50.000 mills as adjusted for changes in the ratio of actual value to assessed value, for debt which exceeds fifty percent of the District’s assessed valuation.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, accordance with the requirements of Section 29-1-105, C.R.S., using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December.

**KENT PLACE METROPOLITAN DISTRICT NO. 2
2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues – (continued)

The County Treasurer remits the taxes collected monthly to the District.

The District's maximum Required Mill Levy is 37.000 mills, adjusted for changes in the ratio of actual value to assessed value of property within the District. Required Mill Levy means an ad valorem mill levy imposed upon all taxable property of the District each year in an amount sufficient to pay the principal and interest on the Bonds as the same become due and payable. The calculation of the taxes levied is displayed on the property tax summary page of the Budget at the adopted mill levy of 10.250 mills for the General Fund and 37.000 mills for the Debt Service Fund.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

Interest Income

Interest earned on the District's funds has been estimated based on an average interest rate of 0.03% per annum.

Expenditures

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Transfer to District No. 1

The District levies a general fund mill levy of 10.250 mills. The District transfers these net property taxes to District No. 1 to help fund administrative expenditures.

Debt and Leases

Series 2020 Bonds

On February 26, 2020, the District issued General Obligation Refunding Bonds, Series 2020. The proceeds of these bonds were used to refund the 2016 Bonds and pay for costs of issuance.

Subordinate Note – Series 2013

On September 15, 2013, the District entered into a Subordinate Limited Tax General Obligation Note, Series 2013. On August 25, 2020, the Subordinate Note was replaced by two new Subordinate Notes (R1 and R2). Each new Subordinate Notes has a principal amount of \$450,000 with a maturity date of September 15, 2053, and carries a simple interest rate of 8.00%, payable annually on September 15. The principal of and interest on the Subordinate Notes are payable solely from and to the extent of the Series 2013 Subordinate Pledged Revenue on a basis subordinate to the Senior 2020 Bonds and other obligations of the District specifically set forth in the Note Resolution, which may or may not be sufficient to pay the principal of and interest on the Subordinate Notes. Failure of the District to make any interest payment on the Subordinate Notes when the same shall come due shall not constitute an “Event of Default” under the Note Resolution. Interest on the Subordinate Notes shall continue to accrue and shall be paid on the next Interest Payment Date when funds are available for such payment. Furthermore, if any amount of principal or interest remains due and owing on the Subordinate Notes on September 15, 2053, such amounts shall be discharged and no further amounts shall be due on the Subordinate Notes.

Accrued and outstanding interest was at \$149,107 at December 31, 2020. See below for the estimated activity on the Subordinate Notes.

Reserves

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all TABOR funds received by the District are transferred to District No. 1, which pays for the District's operations and maintenance costs, an Emergency Reserve is not reflected in the District's Budget.

This information is an integral part of the accompanying budget.
